

# Do you identify as Autistic & LGBTQ+?

## Who?

We are recruiting **Autistic LGBTQ+** people aged **over 18** who have **accessed** or tried to access **mental health services**.

## What?

For an **interview** (lasting 45-60 minutes) exploring your experiences and perspectives of mental health services.

## Why?

To help **improve** mental health services in the future. Travel costs will be covered and you will be reimbursed **£15** for your time.

## Where / When?

The interview can be arranged in person at **University of Liverpool** or **remotely** via **Teams** at a time that works best for you.

## How?

If you are interested in finding out more please contact the researcher Richie Collins via email

**[Richard.Collins@liverpool.ac.uk](mailto:Richard.Collins@liverpool.ac.uk)**

This research is being conducted in collaboration with someone with lived experience who is autistic and part of the LGBTQ+ community.
