

Calling all UK-Based South Asian Autistic Females!

We are currently looking for volunteers to participate in a doctoral research project aimed at helping us explore the diagnostic journey for UK-based South Asian women who received an adult Autism diagnosis in the UK.

DO YOU?

- Identify as South Asian
- Reside in the UK
- Have a confirmed diagnosis of Autism? (from a UK clinician or service)
- Receive your diagnosis after you were 18 years old?
- Identify as female (and were assigned female at birth)

What will happen:

If you wish to participate you will be asked to complete a brief online screening questionnaire to confirm your eligibility.

If eligible, you will be offered an online interview with me where we can discuss your experiences of your diagnostic journey as a South Asian UK-based female.
