PARTICIPANTS WANTED!

This is your chance to share your story of transitioning from child mental health services to adult mental health services.

Scan here to find out more and register your interest.

I am very passionate about this research from working in CAMHS and supporting lots of autistic young people through this transition.

Hi! My name is Sarah and I am a Clinical Psychology student at the University of Hull. I would like to invite you to take part in my research project.

To take part you must:

- Have directly transitioned from child to adult mental health services in the UK.
- Be aged 20-30 years old.
- Identify as autistic (formal or self diagnosis).
