

## Are you a Healthcare Professional or an Educator supporting an Autistic Child in the UK?

### Your Voice Matters!

We are conducting a research study to explore the facilitators and barriers professionals face when providing services to autistic children and their families in the UK.

### Who can take part?

If you are a professional directly involved in supporting autistic children such as General Practitioner (GP), Health Visitor, Paediatrician, Clinical Psychologist, Occupational Therapist, Speech and Language Therapist, Special Educational Needs Coordinator (SENCO), Educational Psychologist, or School-Based Staff (Including SEND Teaching Assistants and Teachers) - we would love to hear from you.

Your insights will help shape better resources and support for autistic families across the UK.

### What's Involved?

-  **Online Focus Groups** – Approx. 1 hour of your time
-  **Optional Interview** – A 45-minute individual interview (for selected participants)
-  **£10 Amazon Voucher** – As a thank-you for taking part in the focus group and/or interview

### How to Take Part:
