

RESEARCH PARTICIPANTS NEEDED

Are you a parent of an autistic young adult who has experience of transitioning from child to adult mental health services?

I would like to invite you to take part in my research project, which aims to understand how parents of autistic young adults experience the process of their child transitioning from child and adolescent mental health services (CAMHS) to adult mental health services (AMHS).

Inclusion Criteria:

- Being a parent of at least one autistic young adult.
- The young adult has begun, attempted or completed the transition directly from CAMHS to AMHS within the last two years.
- The young adult must have a formal diagnosis of autism.
- Living in England.

Participation involves attending a remote interview for approximately one hour. You will be reimbursed for your time with a £10 Amazon voucher.

If you are interested in taking part, please contact me via charlotte.roche.2022@live.rhul.ac.uk, I would be very pleased to provide you with more detailed information.
