

PARTICIPANTS NEEDED

We're exploring the experiences of individuals diagnosed with autism following treatment for a restrictive eating disorder.

ARE YOU:

- someone assigned female at birth (AFAB) who has previously undergone treatment for a restrictive eating disorder and been diagnosed with autism following discharge?
- at least 16 years' old?
- happy to talk about eating disorder treatment and autism?
- able to speak, read and understand English?

RESTRICTIVE EATING DISORDERS INCLUDE:

- anorexia nervosa
- atypical anorexia nervosa
- avoidant restrictive food intake disorder (ARFID)
- other specified feeding or eating disorder (OSFED), unspecified feeding or eating disorder (UFED) and eating disorder not otherwise specified (EDNOS), with a majority restrictive component

WHAT'S INVOLVED?

- completing questionnaires (approximately 1 hour)
- taking part in an interview, either online or in person at the University of Sheffield (approximately 1 hour)

GET INVOLVED

For more information, or to take part, please contact Elle Pemberton:
erpemberton1@sheffield.ac.uk.
